W3. Creating Online Content

PART 0. Select the topic

Choose a topic that interests your group. Think about who your audience will be and how you will share your message. **Each topic may only be selected by one group.** Discuss with your classmates who will take which topic

Topics:

☐ **Online Safety**

Teaching students how to stay safe on social media.

☐ **Best Apps for Students**

Recommending useful apps for learning and organization.

☐ **Fake News Awareness**

Helping people verify information before sharing.

☐ **PM2.5 Air Pollution**

Helping students stay safe during poor air quality.

☐ **AI Tools for Learning**

Using AI responsibly for studying and schoolwork.

☐ **Healthy Lifestyle**

Encouraging healthier habits and reduced screen time.

☐ **Digital Footprint**

Thinking carefully before posting online.

☐ **University Preparation**

Giving advice about preparing for university.

☐ **Cyberbullying Prevention**

Promoting respectful online communication.

☐ **How to Become a Content Creator**

Helping beginners start creating online content.
