

03. REGISTERING TO CANVA

M4U4P3

WHAT IS CANVA?

- Canva is a graphic design platform, used to create social media graphics, presentations, posters, documents and other visual content

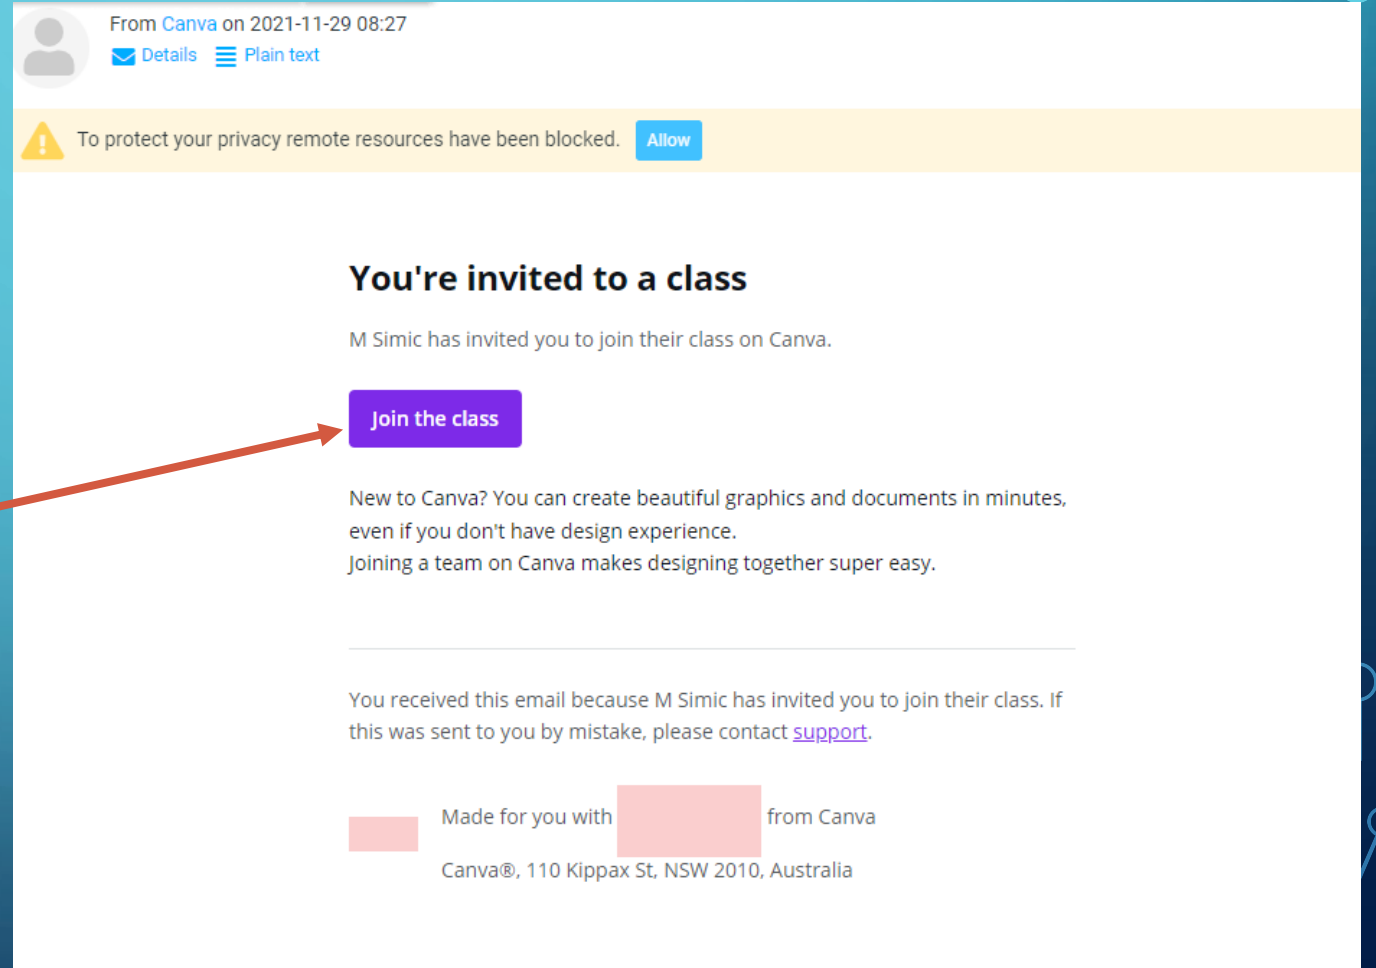

HOW TO REGISTER?

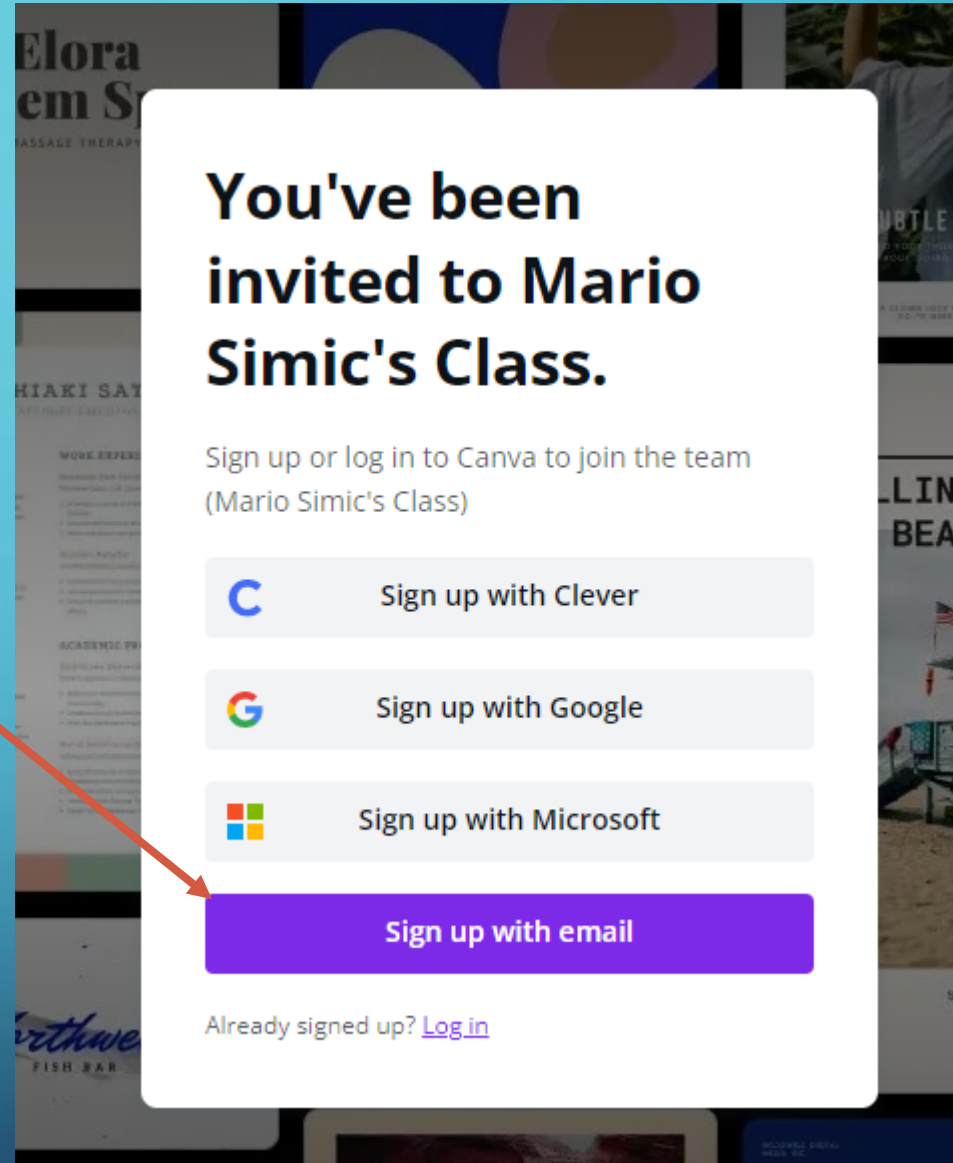

STEP 1:

- Each one of you will get an invitational e-mail from Canva on your school email (stdID@yupparaj.ac.th) that looks like this
- Press on “Join the class” button

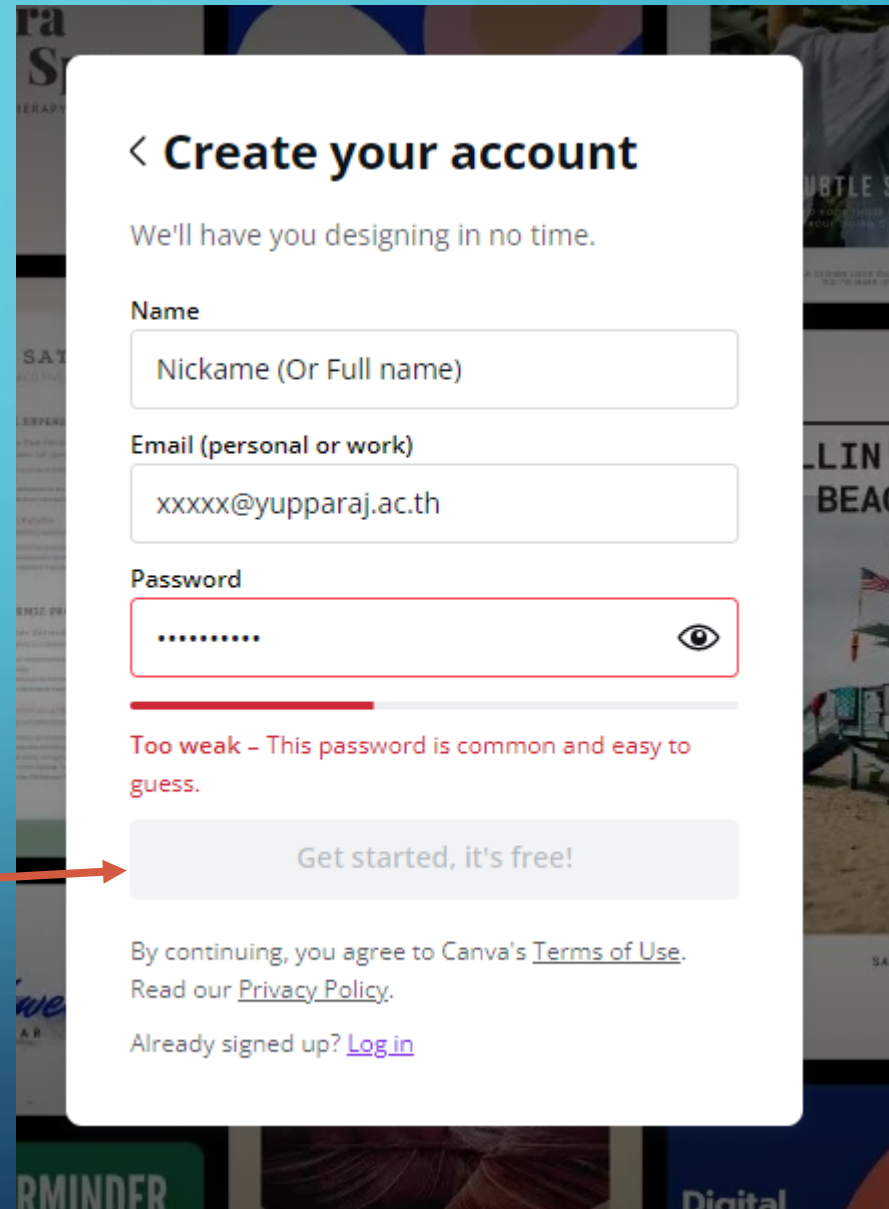

STEP 2:

- Click on “Sign up with email” button

STEP 3:

- Write your information
- Keep in mind that the password has to be strong or otherwise you can not continue
- When everything is okay, press on “Get started, it’s free!” button

< Create your account

We'll have you designing in no time.

Name

Email (personal or work)

Password

Too weak - This password is common and easy to guess.

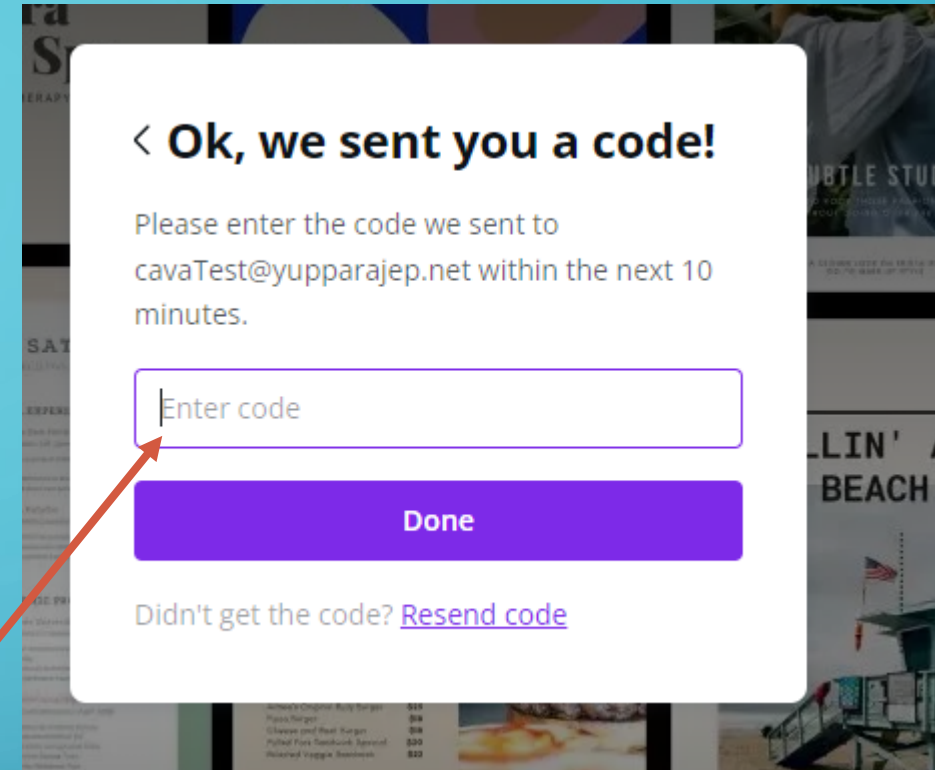

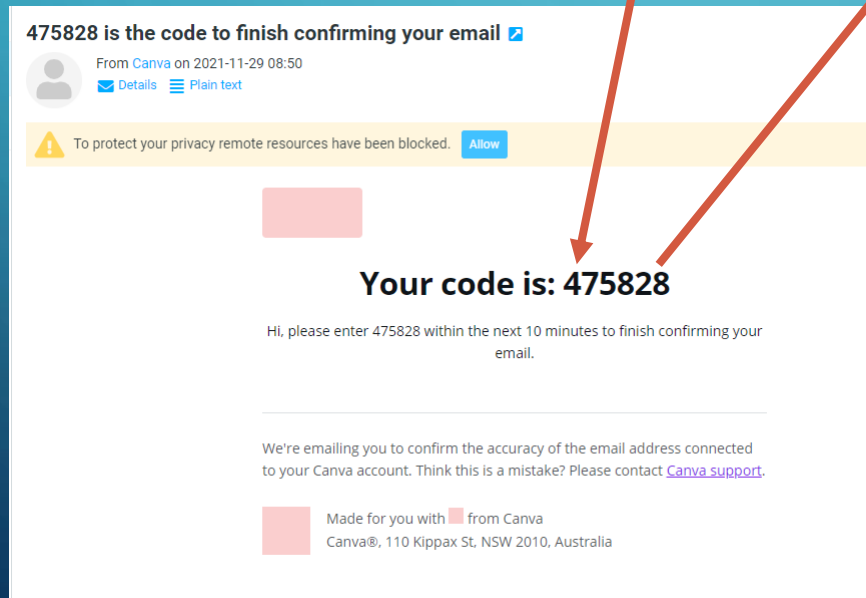

Get started, it's free!

By continuing, you agree to Canva's [Terms of Use](#).
Read our [Privacy Policy](#).

Already signed up? [Log in](#)

STEP 4:

- On your e-mail you will get a code that you have to enter here
- You have 10 minutes to do it

STEP 5: DONE

Your first design is going to be amazing

Your recent designs will appear here. Ready for you to edit, download, and share.

The background is a dark blue gradient. In the corners, there are decorative white line-art patterns resembling circuit boards or neural networks, with lines and small circles connecting them.
